All the practical examinations will be held at each Primary Training School, and Training Centre "in situ" by rotation commencing just after the Puja vacation of the institutions and terminating on or before the 14th December 1942, when the theoretical examination will begin. The dates of the practical examinations will be fixed by the District Inspector of Schools of the district. Practical examination in Physical Training will be conducted by the District Organiser of Physical Education in collaboration with the District Inspector of Schools himself or Subdivisional Inspector or Sub-Inspector of Schools who may be deputed by the District Inspector of Schools. The other practical examinations will be conducted by the District Inspector of Schools. The results of all the practical examinations shall form a part of the results of the Final Examination and shall not, therefore, be declared on the spot. The marks should be kept in the safe custody of the District Inspector of Schools concerned as soon as the Practical Examinations are over.

3. At least seven days before the examination, District Inspector of Schools will submit to this office a copy of the nominal roll giving the following information in respect of regular and private candidates arranged separately. 4. No candidate will be allowed to appear at the Final Examination unless his conduct and progress have been satisfactory and unless he has attended at least 80 per cent. of the total working days of the school or Training Centre. The authority to withhold permission to appear at the examination will rest with the District Inspector of Schools subject to a report to the Inspector of Schools.

5. They should apply to the District Inspector of Schools through the Head Master or Head Pandit of the Training School in which they last read.

6. Stitched books for writing answers, blotting papers, ink, packing cloth, sealing wax, etc., will be supplied by the District Inspectors of Schools out of their office contingent allotments (the expenditure being kept at as low a figure as possible). Candidates should bring their own pens.

7. The Superintendents will forward per registered post the answer papers of written examinations serially arranged, carefully packed and sealed to the paper-examiners, together with a mark roll [showing (1) Serial No., (2) Name of candidate, (3) Name of Training School or Training Centre, (4) The subject of examination and (5) Full marks] indicating the attendance of candidates in the column of remarks and bearing the signature of the Superintendent of the Centre. The Professor will, not later than the expiry of twelve months from the date of his election, forward to the Registrar a complete copy (manuscript or type-written) of the lectures which he proposes to deliver. The copy will be forthwith referred by the Faculty of Law to a Committee of not more than three persons to be selected for their special competence in this behalf, who will examine the same, and, before the expiry of two months from the date of the submission of the copy by the Professor to the Registrar, report to the Faculty whether the work is complete and ready for the Press. If upon such report, the Faculty are satisfied that the work is complete, the Professor will commence to deliver his lectures within three months from the date of the resolution of the Faculty and shall complete the delivery thereof in another three months. The copy of the lectures delivered will remain in the custody of the Registrar and shall be sent to the Press, as soon as practicable, after delivery thereof.

If the Professor fails to submit the copy of the lectures or if the copy submitted be found, on examination, to be incomplete and not ready for the Press, the matter will be referred to the Faculty of Law, upon whose recommendation the Senate may either extend the time or cancel the appointment.

N. G. Roy,

Controller of Prices, Bengal.

GOVERNMENT OF BENGAL.

Office of the Director of Civil Supplies, Bengal.

Calcutta, the 9th September 1942.

PRESS COMMUNIQUE.

The prices of Kerosene Oil and Petrol were last revised on 25th May 1942. As a result of increase in the cost of transport for Kerosene due to extra railway freight involved in meeting east coast requirements from the west coast of India, increase in cost due to the payment of premium under War Risks (Factories) Insurance Scheme and of the cessation of the supply of over 75 per cent. Inferior Grade Kerosene Oil from Burma necessitating import from other foreign countries, the Government of India have authorised an increase in prices of Kerosene Oil with effect from the 5th September 1942. The Calcutta City prices have accordingly been revised as set out in the order below:—

ORDER.

In exercise of the power conferred by clause (b) of sub-section (2) of rule 81 of the Defence of India Rules, which has been directed to be exercised by me by notification No. 463P., dated the 13th January 1942, I hereby direct that the prices of Kerosene Oil and Petrol in the town of Calcutta as defined in section 3 of the Calcutta Police Act, 1866, together with the suburbs of Calcutta as defined by notification under section 1 of the Calcutta Suburban Police Act, 1866, shall, with effect from the 5th September 1942, be as follows:—

Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 465-H.—17th September 1942.—The following is republished for general information :—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

New Delhi, the 10th September 1942.

No. 154-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer :—

Bengal.

Albert Joseph Lashmar, Station Officer, Calcutta Fire Brigade, Calcutta—On the 20th July 1942, a fire broke out in a building in Radhabazar Street, Calcutta, as the result of a number of celluloid films igniting. Station Officer A. J. Lashmar was one of the party sent to deal with the conflagration, and on arrival he found that two men, who appeared to have jumped or fallen from the

verandah of the first floor of an adjoining building, were lying unconscious in a passage way in the structure which was actually on fire. Disregarding the flames, smoke and falling debris, Station Officer Lashmar went to their rescue, although he was fully aware of the possibility of more films igniting and of the danger that the petrol tank of a car in the building might burst and throw burning petrol over him. After rescuing one man, he went back a second time and rescued the other. His conduct in twice exposing himself to great danger was an act of very considerable gallantry, and his promptness and courage resulted in the saving of two lives.

This award is made for gallantry under Regulation d(i) of the Regulations governing the grant of the Indian Police Medal.

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

DEPARTMENT OF LABOUR.**ORDER.**

New Delhi, the 21st August 1942.

In exercise of the powers conferred by rule 81A of the Defence of India Rules and in supersession of the order of the Government of India in the Department of Labour, dated the 6th March 1942, the Central Government is pleased to make the following Order, it being necessary to do so for securing the efficient prosecution of the War, namely:—

(i) No person employed in any undertaking shall go on strike in connection with any trade dispute without having given to his employer within one month before striking not less than fourteen days' previous notice in writing of his intention so to do.

(ii) No employer of any undertaking shall lock-out his employees in connection with any trade dispute without having given to his employees within one month before locking out not less than fourteen days' previous notice exhibited prominently in his undertaking, of his intention so to do, provided that no such notice shall be necessary while a strike exist in the undertaking, but a notice of the lock-out shall be sent within three days to such authority as may be specified by the Provincial Government either generally or for particular areas or particular classes of undertakings.

(iii) When any trade dispute has been referred to a Court of Inquiry or a Board of Conciliation under the Trade Disputes Act, 1929 (VII of 1929), or for conciliation or adjudication under an order made under rule 81A of the Defence of India Rules, no person employed in any undertaking concerned in the dispute shall go or remain on

strike and no employer in any undertaking concerned in the dispute shall lock-out or continue to lock-out his employees, during the period from the making of the reference until the expiry of two months after the conclusion of the proceedings upon such reference.

(iv) Sub-rule (5) of rule 81A of the Defence of India Rules shall apply to the interpretation of this Order.

H. C. PRIOR,

Secy. to the Govt. of India.

PRESS NOTE.**Lock-outs without notice illegal.**

Lock-outs without fourteen days' notice have now been made illegal under an order issued by the Government of India.

An earlier order issued on 6th March 1942, under rule 81A of the Defence of India Rules made strikes without notice illegal. It was not at the time considered necessary to apply the order to lock-outs, but it has always been the intention of the Government to treat strikes and lock-outs on the same terms.

As rule 81A enables orders to be passed both in respect of strikes and lock-outs, the original order has been replaced by a new one which makes both strikes and lock-outs illegal unless fourteen days' notice is given or until two months have elapsed after the conclusion of conciliation or adjudication proceedings.

Where however a strike has been started in an undertaking, no previous notice of a lock-out is necessary. The employer has in that case to notify prescribed authorities of the lock-out within three days.
